

Grace of Giving AWARD

The Grace of Giving Award has been created to honor a longtime champion and passionate supporter of The Sophia Way. The award recognizes the immense contribution of a community member who shares The Sophia Way's vision and mission to end homelessness in King County.

The inaugural Grace of Giving Award will be presented to **Karina O'Malley**, who recently retired from The Sophia Way Board of Directors. Karina has given decades of her time, talent, and treasure, not only to our organization, but to countless others working to end homelessness.

Please consider a contribution to honor Karina's selfless service to The Sophia Way. Karina will be informed of all gifts. Contributions of \$1,200 or more will be able to share a message in a custom book of well-wishes and also will be acknowledged on a special plaque featured at our new Kirkland shelter, Helen's Place.
