

NEWSLETTER: AUGUST 2020

## You Are Invited!

Dear Friends,

We have much to look forward to in the next 45 days! Kirkland Place – where we will operate Helen's Place – will be [opening soon](#). We are immensely grateful to all who have contributed in making the dream a reality – and excited to show it to you in a virtual format. Our staff will be working hard in the next few weeks to make the space warm and welcoming for the women and we need your help to do that (*more about those opportunities below*).

In September, we will have our first virtual fundraiser – [Sheltering from the Storm](#). Just like past years, you will be touched by powerful stories that you help make possible each day. And, you will have the opportunity to engage with like-minded individuals, too! We look forward to inspiring you on September 15.

Our many thanks to you for everything you do!

In gratitude,

A handwritten signature in black ink that reads 'Alisa'.

Alisa Chatinsky  
Executive Director

# Their Stories

[Read](#)

Like many of us, the women we serve are struggling – yet they are strong and courageous. They inspire us with their resilience and determination. [Their stories](#) compel us to do more!
