

Dear Friends,

Sheltering from the Storm is just a few weeks away! While we can't be together again this year, we need you to [be there virtually](#) to support women and shelter them from the storms of life.

You will hear from Pastor Patty and her wife Sue about the importance of helping women experiencing homelessness in our community. Program staff will give you the inside scoop on the "secret sauce" our staff provides to give women the needed shelter, safety, and stability in their lives. And, you will be inspired by Deborah's courage to overcome a debilitating illness and her renewed zest for life!

[Please join us](#) to celebrate all the lives you have helped change and the many more that will change because of your support.

Alisa Chatinsky
Chief Executive Officer

Building Community

It's been a summer of activities and relationship-building at our shelters.

Weekly journaling sessions help women towards healing. One client shared that writing and revisiting her goals regularly was a perfect way to track her progress. *"It's very rewarding!"*

A client who regularly walks to a nearby beach recently brought back a bag of smooth stones for her and her friends to paint, creating a pretty border for the flower beds outside the shelter.

A meal donation was accompanied by a colorful and descriptive placard for each dish, created by the children of the donor. *"The ladies truly enjoyed and appreciated the thought that went into making the cards,"* shared a staff member.
