

Dear Friends,

In our incredible 15-year journey of service, we've embraced change as a constant – we've continuously adapted, offering new services and shifting processes to better serve women in need. Embracing this philosophy, we're thrilled to announce a shift in how we approach fundraising events at The Sophia Way.

We are grateful to all of you who have passionately supported us at our Sheltering fundraiser over many years. As we bid a fond farewell to Sheltering, we're planning a series of smaller events that will foster deeper connections with YOU, our incredible donor and supporter.

**Breakfast Series** and **Community Brunches** – designed to empower you to champion our cause and invite your networks to join the movement.

**Happy Giving Hour** and **Parties with a Purpose** – intimate gatherings where you can make a difference while having a great time.

And, we are continuing our engagement series of events – **Community Conversations** and **Coffee with the ED**.

Next month, we are kicking off with two events:

**Coffee with the ED on March 14th** – join me for a chat about program and service updates, and share your thoughts and questions. Don't forget to send your questions in advance to [Sujata Agrawal](mailto:Sujata Agrawal).

**Breakfast of Philanthropy on March 28th** – Eastside business leaders coming together to raise much-needed funds and increase support for women experiencing homelessness on the Eastside.

Your sponsorship, support, and investment have never been more critical, and we invite you to partner with us for these exciting events. For more information on how you can be involved, contact [Marc Vermouth](mailto:Marc Vermouth) or call 425-436-7843. To make sure you're on the invite list for these incredible events, email [info@sophiaway.org](mailto:info@sophiaway.org).

Our sincere thanks and appreciation,

Dietra Clayton  
Managing Executive Director
