Individuals & corporate employees
volunteered **7,711** hours.

Individuals & groups provided
36,453 nourishing meals.

As we reflect on 2024, we are inspired by the progress we have made together. We served more women, engaged more volunteers, and received increased support from the community - both financially and through in-kind donations. We raised wages for our shelter staff, celebrated 15 years of service, and successfully concluded our 2021 Strategic Plan, *The Sophia Way Forward*. These achievements are a testament to our collective efforts and dedication.
